Dear Santa,

We are from Waveland and our home was at:

[redacted] Waveland Ave

We are now living at:

Address: [redacted] Purvis / Columbia Rd

City Lumberton State Ms. Zipcode 39455

Phone No. [redacted]

Our family consists of:

Me - I am 74 soon to be 75 + I want to go home - I am so homesick + it is effecting my mental health.

Our Katrina experience was:

Taking a trip back to see the condition of my home or what was left of it - water to the ceiling - deep freezer upside down. Refrigerator turned over - pictures lost - bed soaked with stinky slimy mud. It broke my heart. My life gone in shambles. This waiting for Fema's Help any help. I keep asking myself will I live long enough to fix my home.

Write something special that you would like Santa to bring you or your family:

To my family who took me in + has been so good to me I'd like to give them an indoor grill.

For myself I would like a coat size 12. Winter cloths when I left home I thought it be for only a couple of days.

Please use back or another sheet of paper, if you want to write more. We want to hear your story. over

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

& it was summer & very hot. Now it's getting very cold and I don't have any winter clothes. pants adult size 12 petite. Blouses sweaters.

And Santa if you know anyone who has an old car that runs good will sell it cheap, please give them my name. I guess that is my biggest wish - my independence. Yes I can drive & I have a valid driver's license. I just can't afford to go & buy a new car, I live on my Soc. Sec. check & half of it pays the mortage on my home even tho it is in shambles.

My wish also that all of us can go back home and start over with God's Blessing.

Thank you

Santa

P. S. I did not receive your letter until Nov 30th The postman is kind of slow these days.
